

### **Water Wizard 2.0**

The Water Wizard 2.0 touch-free automatic car wash can help maximize the income potential of your valuable real estate. The speed of the Water Wizard 2.0 is faster than ever and loaded with impressive features. The Water Wizard 2.0 follows the contour of the vehicle, maximizing the scrubbing action of the high-pressure wash, while attacking dirt and grime from all angles. Each vehicle that enters the Water Wizard 2.0, regardless of vehicle height, receives the same quality wash.
