RE: Jim Coleman Company Introduces the Entry Wizard 2.0 Entrance Controller

RELEASE DATE: Immediately

There are now two Jim Coleman Company Entrance Controllers! The **Entry Wizard 2.0** Entrance Controller has customer needs always in mind. Reliability, functionality, and economics play heavily in the design of the **Entry Wizard 2.0**. The unit is simple in design, economical in operation, adaptable to a variety of markets and will accept credit cards, bill, coins and code entry.

The unit features an all stainless steel euro design, bill and coin acceptor and credit card swipe. The four by four read-out screen is easy to read and simple to use with heavy-duty selection buttons for selecting wash options. Each unit is Swipe-N-Clean and POS 4000 ready. For security concerns, the **Entry Wizard 2.0** is equipped with a high security door and Medico locks. The colorful decal displays easy to follow instructions and is sure to catch the customer's attention!

Proudly introduced by a company that continues to create and develop the industry's most innovative new products.

For more information on the **Entry Wizard 2.0** or to request literature, please contact our office at 800.999.9878 or visit our website at www.jcolemanco.com.
