RE: JIM COLEMAN COMPANY HAS EXPANDED

RELEASE DATE: IMMEDIATELY

The planning is done, the building is built, employees have moved in and the ribbon has been cut! Jim Coleman Company adds an additional 16,800 square foot facility to the already existing 100,000 square foot headquarters. The new building now houses the metal finishing department, all of the technical support staff, and the assembly of the bay marketing meters, Entry Wizard and the Swipe-N-Clean. The ribbon cutting ceremony was held on July 28, 2004 and included all employees with the ribbon being cut by Russell Coleman.

In celebration of the expansion, JCC employee's enjoyed a ribbon cutting ceremony with a group picture, Champaign toast, bar-b-q dinner and were then whisked off to enjoy an evening at Minute Maid Park for an Astros baseball game. This was an exciting event for all.

Photo Attached: (caption if needed) Russell Coleman had the honor of cutting the ribbon for the completion of Plant 4. Also pictured are several Jim Coleman Company employees.
