

**Polynet** Global Wash Systems and company president, **Greg Frey**, were recognized by Jim Coleman Company for outstanding sales in 2003 at this year's International Car wash Association Expo and annual distributor meeting in Las Vegas, Nevada. Polynet was awarded JCC's **Distributor of the Year** and the prestigious **Diamond Award**. Polynet is a dominant carwash developer in Florida and currently has over 20 new carwash facilities under development throughout Florida and the Caribbean.

**Jim Coleman Company** was awarded **Texas Family Business of the Year Award** by Baylor University's Institute for Family Business. Businesses whose

families demonstrate a commitment to each other and to business continuity, and who are responsive to the needs of their employees, communities and the industries were honored in Waco, Texas on October 28, 2004. More than 100 businesses across the state were nominated for the contest.
